

GUIDE FOR ONLINE PARTICIPATION Axactor SE 5 JANUARY 2021

Axactor SE will hold an extraordinary general meeting on Tuesday 5 January 2021 at 10.00 am as a digital meeting, where you get the opportunity to participate online with your PC, phone or tablet. Below is a description of how to participate online. We also point out that instead of participating online, you have the opportunity to vote in advance or give a proxy before the meeting. See the notice for further details for advance voting and how to submit a power of attorney. If you vote in advance or give a proxy with instructions, you can still choose to log in to the general meeting and override your vote on the individual items. If you have given an open power of attorney, but still log in to the virtual meeting, you will reclaim your voting rights and must vote online.

The technical solution is administered by DNB Bank Registrars Department, which has licensed the software from Lumi Ltd., giving all shareholders the option to attend online.

By attending the online, shareholders will access a live webcast of the meeting, submit questions relating to the items on the agenda and cast votes on each item on the agenda. Secure identification of shareholders is done by using the unique reference number and PIN code assigned to each shareholder by the Norwegian Central Securities Depository (In Norwegian either "Verdipapirsentralen" or "VPS") in relation to this General Meeting.

No pre-registration is needed for attending online, but you **must be logged in before the meeting starts**. The following pages will provide you with a brief guide on how to access, participate and submit your votes at the online General Meeting.

Shareholder who do not find their reference number and PIN code for access or have other technical questions is welcome to call DNB Registrars Department on phone + 47 23 26 80 20 (between 08:00-15:30, or send an e-mail to genf@dnb.no
